

SHEEPDROVE  
ECO-WEDDINGS

## WELCOME

---

An architecturally inspiring sustainable wedding venue, with impeccable green credentials.

Made from natural and sustainable materials we are committed to being fully carbon neutral through our use of environmentally friendly energy such as wind and solar power.

We are driven by a passion for nature and our estate is rich in wildlife as nature has returned to balance after farming organically since 2004.

“ONE WHO DOES NOT  
LOVE THE NATURE  
CANNOT LOVE  
ANYTHING IN LIFE”

## SURROUNDINGS

---

Set amongst four square miles and with no neighbours for three miles, we can offer enormous scope and unrivalled exclusivity for a wedding.

An abundance of unique and intriguing outdoor spaces, limited only by your imagination. The physic garden, a haven of aroma and colour set in an amphitheatre in which to relax. Ancient woodlands and miles of rolling hills in which to take a stroll or sit on the banks of our lake and enjoy the sound of lapping water.

“LOVE IS THE ONLY FREEDOM  
IN THE WORLD BECAUSE IT SO  
ELEVATES THE SPIRIT THAT  
THE LAWS OF HUMANITY AND  
THE PHENOMENA OF NATURE  
DO NOT ALTER ITS COURSE ”

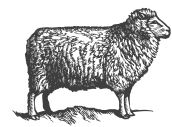

## SUSTAINABILITY

As with planning a wedding we have thought of every little detail in our building's design. We chose wood as our main material including the roof tiles. Compact disks and toothpaste tubes are recycled materials used in our bathrooms, along with waterless urinals in the gents.

Our own spring water is served in glass bottles at the wedding breakfast, whilst guests sit comfortably on recycled paper chairs. We even recycle our waste water through a unique reedbed system. We are a venue with sustainability at its heart, and a love for all life on earth.

“MY WISH IS TO STAY  
ALWAYS LIKE THIS,  
LIVING QUIETLY IN A  
CORNER OF NATURE”

“NATURE DOES NOT  
HURRY, YET EVERYTHING  
IS ACCOMPLISHED ”

## GETTING READY

---

All wedding dates include two dates for the price of one. We offer you the ultimate luxuries of both time and space. Driving up over the Lambourn downs you'll feel all the build-up of planning your big day fade away. The tranquillity of breath-taking scenery and flower filled meadows will relax you further.

Your wedding at Sheepdrove includes an extra day, so you can do all of your preparations the day before. Once the venue is dressed then it's your turn, and you will be spoilt for choice for dressing rooms. You might have to toss a coin with the boys to decide who gets the circular tower of the Rook's Nest, but no one can lose as we have another four rooms full of their own personality to meet with yours.

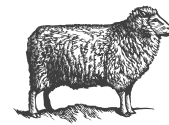

## CEREMONY

---

We have a choice of 2 licensed rooms for civil ceremonies. The Oak Room with its soaring walls and vaulted ceiling is a magnificent and versatile room. Capacity of up to 150 guests.

The Beech Room, on the first floor has magnificent views of the courtyard and physic garden. Capacity of up to 50 guests.

“SOMETHING OLD,  
SOMETHING NEW,  
SOMETHING BORROWED,  
SOMETHING TO SAVE  
PLANET BLUE”

# WEDDING BREAKFAST

---

Dine with up to 140 guests. Our stunning galleried dining room is flooded with natural daylight and offers unrivalled views of the surrounding landscape. A spectacular spiral staircase provides a grand entrance for the newly married couple.

Large wooden doors open out to both the tree lined courtyard and the aromatic physic garden. We work with exceptional caterers who share our love of locally sourced organic food. Have no hesitation that they will be able to match your culinary tastes, requests and budget.

“PEOPLE DON'T HAVE TO HEAD TO THE WOODS TO ENJOY NATURE'S RESTORATIVE EFFECTS. EVEN A GLIMPSE OF NATURE FROM A WINDOW HELPS ”

## EVENING RECEPTION

Our Oak Room, as the name suggests already has the wooden dance floor in place ready for that first dance. Its cruck barn structure creates excellent acoustics so whatever entertainment you choose whether it be a band, acoustic duo or a solo performer you know it will sound amazing.

Just one of the many good things about Sheepdrove is the incredible amount of space available to you, we can prepare your evening reception space without you even noticing, so you can just focus on enjoying your day! We can accommodate up to 50 guests, allowing all your family and friends to share your special evening.

“LOVE DOES NOT  
CONSIST OF GAZING  
AT EACH OTHER, BUT  
IN LOOKING OUTWARD  
TOGETHER IN THE  
SAME DIRECTION”

## ACCOMMODATION

When the day draws to a close your guests can retire to Woodend. Our cosy converted farm building offers a large farmhouse kitchen which lends itself to getting family and friends to know each other before and after the big day.

All of our rooms benefit from being en-suite and with a log burner, large lawned garden and alfresco dining courtyard the space is perfect for any time of the year.

For you, our bridal suite is one of a kind! A truly romantic lakeside boathouse which offers secluded comfort in an idyllic setting. Start married life waking up to a view over your own private lake.

“CLOUDS COME FLOATING INTO MY LIFE, NO LONGER TO CARRY RAIN OR USHER STORM, BUT TO ADD COLOUR TO MY SUNSET SKY”

# The Jam Jar Cocktail Club

MOBILE BAR HIRE FOR WEDDINGS & EVENTS

Hi! We are Joe and Ethan, brothers and the proud owners of The Jam Jar Cocktail Club.

We are a mobile bar company, serving a range of cocktails, draft beer, spirits, bottles, wine and prosecco, at weddings and events. We handcraft our bars, using sustainable materials. Supporting small businesses like ours is so important to us, we use Fletcher's Greengrocers of Wokingham for fresh fruit for all of our cocktails, in an attempted to reduce plastic packaging and lend a helping hand to others. We serve beer and ales and will always try to incorporate products from local breweries in our stock.

# photography by Linas

Professional wedding photographer with a reportage, documentary style approach. I don't impose or intrude on your day, I am there to capture your story, combined with the challenge of creating art.

Although I prefer to stand back and let things happen naturally, I capture posed shots as well. I try to get these as quickly as possible so you can get back to enjoying the day with your family & friends.

I think the importance of photography is greatly overlooked. It is one of the best ways to hold on to the important & significant times & to trigger our memories & emotions. I love being able to capture these moments in people's lives & give them something that will truly last a lifetime.
